

Red Notice – by Bill Browder

We, at Georgian Capital, intend to broaden the content of Knight-Mails, and broaden the number of interested recipients.

Red Notice: A True Story of High Finance, Murder, and One Man's Fight for Justice by Bill Browder

While not a normal 'blog', our plan is to contribute to your thoughts in a variety of different ways. This is possible because of the fascinating business we are in – multiple sources and subjects.

On that note, we are suggesting a highly recommended book, ***Red Notice by Bill Browder***. It is a true story of high finance, murder and one man's fight for justice.

Enjoy the read and we look forward to any comments.
